

# Master Framework Plan

## Master Framework Plan

The plan above represents the Master Framework Plan which brings together the foregoing framework plans to present a vision and implementation strategy for this site. This will form a key component of the final Masterplan document.

We are seeking your views on this current option for the Masterplan and your feedback will inform the final Masterplan.

Please provide us with your feedback concerning this information here 

Please read this exhibition material in conjunction with the virtual exhibition at [www.westofmildenhall.co.uk](http://www.westofmildenhall.co.uk)
